## US Status

Green card holder

I am a Software Engineer who lived in Los Angeles for 16 years and specialize in building responsive web applications. My strongest skill is React.js with 3 years of experience. I currently live in Tokyo, Japan and will be returning to the US in June 2022.  I am a green card holder and looking for a new job in Los Angeles and Seattle.

**FRONT-END (React + TypeScript)**:   https://www.hirokoymj.com
**BACK-END (GraphQL):**  https://hirokoymj-backend.herokuapp.com/
**GitHub:**          https://github.com/hirokoymj/hiroko-frontend

## Work Experience

**Asurion Japan**                                    May 2021 – January 2022
